Each season, the team earning the highest grade point average in each sport from Osceola's eight comprehensive high schools will be presented a certificate at a School Board meeting. The grades of the student athletes are submitted each season to the Florida High School Athletic Association (FHSAA), and top schools in the state are also recognized by the FHSAA.

"I am proud to recognize these student athletes for their teamwork not only in competition, but in the classroom as well," said Superintendent Dr. Michael A. Grego. "Their success both on and off the playing field speaks to the high standards we have set for our students and the motivation they have to achieve."
