

Dear Sponsor:

The Education Foundation is partnering with the Osceola County School District to host its eleventh annual "Education in the Park" event to be held on Saturday, April 28, 2012, at Osceola Heritage Park from 10:00 AM until 3:00 PM. This year's event will showcase displays by Osceola public, private, and charter schools. Parents, students, and community residents will also be able to enjoy school and professional entertainment, displays by other youth and educational organizations/agencies in the community, and a variety of free, fun-filled activities. For this year's event, we will again be featuring Radio Disney for our professional entertainment.

Last year, the event drew a crowd of over 20,000 attendees, and we anticipate a much larger crowd this year. "Education in the Park" has evolved into the largest youth-oriented event in Osceola County, featuring over 100 individual tents to visit with free interactive displays for parents and children.

Through the partnership between the Osceola School District and the Education Foundation, we are able to provide this special sponsorship opportunity to a limited number of key businesses and organizations. The "Education in the Park" sponsorship includes annual recognition opportunities as an Education Foundation sponsor. The attached sponsorship level sheet illustrates these benefits. We have also included a Foundation brochure and registration form. You will receive a tremendous amount of exposure through this sponsorship, not only from the event but also through extensive event advertising and the options for visibility through the Foundation and school district.

We sincerely hope you will partner with us in this unique collaboration as the Osceola community joins together to celebrate and take pride in our students and schools. Don't delay—the deadline for sponsorship is April 13, 2012. For questions about the sponsorship package, please contact Kerry Avery at the Education Foundation ~ Osceola County at 407-870-4026. For questions regarding the event, please contact Martha Mann with the Osceola School District at 407-518-2926.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry Andrews".

Terry Andrews,
Superintendent
Osceola District Schools
